PRESIDENT'S REPORT

By: Mark Verwest

The TCSA is looking for a candidate for the Board Position of Treasurer. The candidate must be a member in good standing for at least two (2) years at the time of their nomination or appointment to Office. Anyone interested in volunteering for the position of TCSA Board Treasurer, please contact me at my email listed at the top of this Newsletter. Thanks!

It looks like winter might be on the way out and we can look forward to some warmer weather. Check out the Calendar for upcoming Matches, dust off your firearms and get out and have some fun!

There is still time to get in on the **Early Renewal Drawing**, so if you haven't renewed yet, do so now.

With better weather headed are way, we will be having pest and weed control applicators out at the Range. Be sure to check the main page of our website for any Range closures associated with the work. This work will NOT be done on days open to the public.

VICE-PRESIDENT'S REPORT

By: George Hager

Howdy all! After a month of miserable weather this weekend was such a blessing. I was however amazed how few got the weather report, 60° but not many shooters on Sunday. The RSO's I got to talk to thoroughly enjoyed the day. The next 10-days are forecast in the 50's – 60's. I cannot imagine Mother Nature leaving us off the hook this early, but hope springs eternal.

Not much to talk about this month. Our competitive calendar will start picking up steam shortly. For members with young shooters read further in this Newsletter for Dave McNeal's section regarding the **TCSA Youth Club**, it is an interesting way to introduce your young shooters to the shooting sports.

Have a great month!!

If you haven't Renewed your Membership

“WELCOME” NEW MEMBERS

Welcome! In this Newsletter you can find the contact information for the Board Members and above you can find contact information for the different Ranges. The Ranges were built and are maintained by volunteers. We encourage you to get involved and be a part of TCSA.

New members from this past month should have already received their membership card(s). If you have not received your card, contact **Sue Verwest** at membership@tcsa.info or 509.735.1662.

Check out our TCSA web site www.tcsa.info for a variety of information. The Newsletter is posted on the web site the beginning of each month.

HUNTER EDUCATION AND SAFETY ASSOCIATION

By: **Randy Absolon**

Our spring schedule of Online Evaluations is all set up. We will offer the one-day evaluations for students who have completed the online portion of the hybrid course on **March 15, April 5, April 26** and **May 10**. Registration will be done on the WDFW website and are listed as “Richland Recreation.” Registration will open about three weeks before the class date. I expect the classes to fill up very quickly, probably within 24 hours. We also anticipate offering these evaluations in August and September.

I nearly have our **June Traditional Class** set up and expect to have that complete by the time this Newsletter comes out. It is scheduled to run from **June 16** through **July 3**. Registration will likely open the last week of May, and like our online evaluations, our traditional classes have been filling up quickly.

RSOs using the HESA Range are expected to sign in at the Rose-Iris Range before going over to the HESA Range to shoot. You are also expected to clean up when you are done shooting, including returning target stands to the Rose-Iris Range House and picking up brass.

Always remember to treat every firearm as if it was loaded, control the direction of your muzzle, be sure of your target and what lies beyond it, keep your finger off the trigger until you are ready to shoot and never use a firearm unless you are familiar with how it works.

NEXT RANGE SAFETY OFFICER CLASS

By: Dan Martini

Our next Range Safety Officer Class will be held on Friday April 4. That Class starts at 8 a.m. and will last until about 3 p.m.

If you can make that date, send me an email message to dantini@charter.net with a YES including your TCSA Membership number and I will add your name to the Class list and send you further information.

You need to be a current TCSA Member to attend this Class. If you are not a current TCSA Member, go to our webpage at www.TCSA.info, download the form and mail it to the address on top of the form with your check or stop at the Range and pay the Duty RSO. He / She will submit your form and payment to get you into our system.

MEMBERSHIP RENEWALS

By: Sue Verwest

It is not too late to renew your **Membership and still be eligible for the Early Renewal Drawing for one of the TWO Prizes.**

RSOs: To maintain your RSO status your renewal must reach us by MARCH 31.

Membership Renewal Forms can be found on our website (www.tcsa.info) -- top of the page -- **Join / Renew** tab; then click on **Renewal Form** in item # 2. **Membership Renewal Forms are also available at the Rose-Iris Range and Shotgun.**

Donations – Always Appreciated (100% of Donations go directly to the Range)

.....

LIFE / PATRON / BENEFACTOR MEMBERS

Thank you to those who have already updated for the year. **You only need to update if you are an RSO and want to keep your Access Key Card activated.** Email Sue Verwest at membership@tcsa.info with your current address and phone number to keep your Access Key Card active.

.....

ADVANTAGES OF BEING A RSO

The advantages of being a RSO and obligating yourself as a volunteer at TCSA means that on days when the Range is not open to the general public - YOU - as a RSO can use the Range. Having gone through the RSO Training Class and volunteering your time you are able to go to the Range any time you like!

To become a TCSA RSO, you need to have and maintain your TCSA Membership, complete an 8-hour Class and volunteer to stand 3 days per year at the Rose-Iris General Purpose Range on a Wednesday, Friday, Saturday or Sunday. You choose which of those three days you will be able to meet.

For more information and to get your name on the list for the next RSO Class contact **Dan Martini** at dantini@charter.net.

RATTLESNAKE MOUNTAIN STEEL SHOOTERS

By: Mike Ensminger

40 guns were represented at the February 2nd Match; results are posted on Practiscore under Rattlesnake Mtn Steel Shooters (search on rattlesnake).

The **March Match** will be on the **2nd**.

We shoot on the 1st Sunday every month; shooter's meeting is at 9:15. Sign-ups are at the Range on Match Day, cash or check accepted. If you want us to pre-squad your group, send an email to mikeberta4@gmail.com with names and 1 or 2 guns each and we will make sure you get to shoot together.

PRIMITIVE RANGE

By: Clint Bouslaugh

The **March Shoot** will be on the **15th** from 9:00 a.m. to noon.

Our **Youth Introduction to Muzzleloading Event** will be held on **May 17**. This will be an Event for youth age 12 to 17. The youth will have the opportunity to shoot both percussion and flintlock firearms. This is a free Event. Registration information will be in the April Newsletter.

COWBOY ACTION

By: Mike Ensminger

There was no Cowboy Match in February, as many of our staff and shooters were out of town. We plan to be out there on the **4th Saturday of March (the 22nd)**, hoping for warmer, dryer weather. Shooter's meeting is at 9:00.

We will be hosting a 6 stage **Wild Bunch Match** on **March 29**. Plan on approximately 50 rifle rounds, 40 shotgun and 175 .45acp. Shooter's meeting is at 9:00 a.m.

HIGH-POWER

By: Dave Baalman

Winter is (supposedly) almost over and with anticipated spring weather comes competition season! If you are new to Rattlesnake, I will throw out one big tip for the spring conditions: be sure to put a big old rock on the upwind corner of your shooting mat, or you will have to go pick it up behind the berm after the Match ends!

Our new **Smallbore Range** is all ready to go! Our first scheduled event will be a **Youth Smallbore Event** in **April**. If you are interested in volunteering or if you have a youngster who is interested in smallbore, contact **Phil Keuhlen** (509.366.6070) or **Dave McNeal** (509.366.6879).

Across the course competition kicks off in March with the **Korean War Memorial Service Rifle Match March 1 and 2**. There is a special award for the top M-1 Garand in this one, so dig that "Greatest Battle Implement" out of the back of the safe and come join us. If you don't have an M-1 (or can't stomach the thought of shooting it across the course for 2 days) any service rifle will put you in competition. If you just want to come out and play with a match rifle there will be room for you on the line with it as well. The rest of the month centerfire wise includes a **600 Yard Mid-Range Match** on **March 7**, a **Long Range V2 Match** **March 8** and a **1MOA Steel 1000 Yard Match** on **March 16**.

On the smallbore side of things, we have got a **50-100 Yard Dewar Match** on **March 4**, **Vintage Smallbore** on **March 6**, **100/200 Yard Smallbore** on **March 9**, **50 Yard USBR Smallbore** on **March 11**, **50 Yard ARA Smallbore** on **March 13**, an **ELR 22 Steel Match** on **March 22** and a **100 Yard Mini-Palma Match** on **March 25**. We also have a **NRL 22 Rimfire Match** on **March 1** and a **PRS22 Rimfire Match** on **March 2** both at the HESA Range.

The full schedule is available at <https://www.tcsahighpower.org/>. You can see a full description of each match on our website as well <https://www.tcsahighpower.org/match-descriptions>

SHOTGUN REPORT

By: Mark Monopoli

Happy March everyone! Not sure that is a thing, but we are going with it anyways. February did not disappoint for winter weather again this year, but it appears we are heading for warmer temperatures now.

Before we get too far along with this literary masterpiece, I would like to thank everyone who came out and helped clear snow during the past 2 weeks. While we didn't get a lot of snow, we did get enough. If you feel like you missed out, I get it. It is a very satisfying job. How would you know there is an opportunity to shovel in the future? Well, if it snows and the Shotgun Range is open, we will be shoveling, come join the fun.

While we all talk about getting more shooters out to the Range, **John Wilgus** receives a gold star for putting together a shoot for the **Tri-City Waterfowlers** Facebook Group. John managed to attract 10 shooters for a 5-Stand shoot that was exclusive to their group. Shooters from as far as Ellensburg came to compete for the varied prizes. All in all, it was a successful shoot, with (5) people signing up to be TCSA members. Thanks to **Mike Inglima, Don Klages, Rick Poehls, John Dyes** and others for helping out during the shoot.

Shotgun had our 1st **Youth Skeet Day** on February 9 with (4) brave youth showing up to shoot. If you remember, February 9 was Superbowl Sunday and more relevant is that it was very chilly with an 8-10 mph blowing out of the north. Even with the frigid temps each youth shot a full round of Skeet and everyone hit multiple birds. **Next Youth Shoot Day is going to be March 16 and will be on how to shoot 5-Stand.** The Youth Shoot Days are open to all youth shooters, all we ask is that they RSVP to president@tcsashotgun.com. Shotgun will provide the birds and instruction; attendees are required to bring their own shotgun and ammo.

Congratulations to the winners of our monthly Trap, Skeet and 5-Stand shoots.

- Trap Shoot Winner: Mark Monopoli**
- Skeet Shoot Winner: Jay Judy**
- 5-Stand Shoot Winner: John Wilgus**

While these are the overall winners there were also Lewis Class winners. Even if you are not the top shooter, there are still plenty of chances to win by finishing in the middle of the pack. Just ask **Stu Bruce** as he has won the 2nd Lewis Class for being the "average" shooter more times than I can count.

Shotgun will once again have a full slate of shoots setup for March. **Trap, Skeet and 5-Stand happen every month.**

- **March 2 100 Bird Trap Shoot**
- **March 9 50 Bird Skeet Shoot**
- **March 16 50 Bird 5-Stand Shoot**
- **March 16 Youth 5-Stand Shoot**

All abilities and caliber of shooters are welcome to join. Never shot some of the games before? We will help you. No idea what a "Lewis Class" is? Don't worry, if you hit it, you will be happy.

We are another month closer to the **Don Klages SxS and Pump Gun Shoot! Save the date of Saturday, April 12** to break out your Side by Side and/or Pump Gun for the best 100 birds you have ever seen! Yes, you can shoot both. See the shoot flier at the Shotgun Range house or shoot me an email with any questions.

Spring is right around the corner, so come out and enjoy one of the nicest Shotgun Ranges you can shoot at on the West Coast.

RSO Scheduler for Shotgun, David Russie has been emailing everyone about duty days for 2025. We appreciate everyone volunteering their time at the Range again this year. One thing to remember is that you need to serve the duty days you signed up for. Finding last minute substitutes can be difficult so please sign up for days you can make. You can reach David Russie at 509.979.3664 call/text or roscheduler@gmail.com.

Have a great month everyone!

SHOTGUN RANGE HOURS

Wednesday, Saturday and Sunday
9:00 a.m. to 3:00 p.m.

Current weather conditions at the Range can be found at www.tcsashotgun.com and www.tcsa.info.

KEEP THE RANGE CLEAN

Keep **YOUR** Range clean of trash and spent cartridges. Garbage cans are available. Please be sure the enclosure tops are closed so the garbage can't blow out. Buckets are provided for spent cartridges.

Take a moment to clean up after yourself when you are done shooting.

SAFE SHOOTING OPPORTUNITIES FOR YOUTH

By: Dave McNeal

FEBRUARY

Four young shooters from two families skipped the Super Bowl and braved frigid, snowy weather for **Free Skeet Sunday**. **Mark Monopoli** provided instruction on safety, techniques and range etiquette prior to the shooting experience.

Our indoor youth activity for February was **Introduction to Reloading Shotgun Shells**. **Eric Bickel** provided training including “Safety, Reasons to Reload, Shotshell components and Methods”. Three youth from two families had hands-on experience using simple hand tools to make their own 12- and 20-gauge shells to shoot when the weather improves. Thanks to **Eric** for providing the components and imparting the knowledge and to **Mike Ensminger, John Dyes, Jack Elder** and **Kevin Jack** for donating Lee Loaders and door prizes.

MARCH

Free Five Stand Sunday will be March 16 at 12:00 noon. Shooters under age 18, accompanied by an adult can bring their shotguns and shells to the Rattlesnake Mountain Shotgun Range and learn a shooting sport that may be completely new to them. If you plan to attend and participate in this free activity, please RSVP to president@tcsashotgun.com

THE COWBOY EXPERIENCE

This activity on **Sunday March 23 at 1:00 p.m. at the Pistol Bays** will introduce youth to the sport of **Cowboy Action Shooting**. Participants will learn about **The Rattlesnake Gulch Rangers** and how their matches are conducted in conjunction with **The Single Action Shooting Society**, an international organization dedicated to preserving and promoting the sport of Cowboy Action Shooting and ensuring safety and consistency in the sport. Members share a common interest in preserving the history of the Old West and competitive shooting in a safe, fun, family-friendly environment.

.22 MATCH CLINIC

We will have an indoor clinic **March 30 at 3:00 p.m.** at the **Shotgun Range House** to inform and prepare the prospective shooters and their adults for the **2025 Series of .22 Matches for Youth**. The matches will be at the new Smallbore Competition Range starting in April and will be on the second Saturday and fourth Sunday of each month. Information on sign-up is available from TCSAYouth@tcsa.info.

PRACTICAL PISTOL

By: Pam Harper

USPSA National Range Officers Institute, **NROI**, has a website that has valuable information about the Rules and interpretations of the Rules. Check it out at <https://nroi.org>

TIDBITS: EWPSA is looking for interested people to help with the monthly Matches. We need 6-8 new people to help with setup on Saturdays before the Match (~2 hours and free match) and Sunday tear down of some props after the Match; person to learn Stats (Practiscore, timers and the tablets); to be Bucket filler (before match) and emptier (after match); person to be Check-in person before the Match. None of these jobs are difficult, but we need some new participation for the upcoming year as our Matches are growing.
